WE ARE CSAP!

Sunny San Antonio in the Spring

by Judith Keller

The spring meeting (May 14th and 15th) will be in historic, exciting San Antonio, Texas. We will be staying at the legendary [Menger Hotel](#), the site where Teddy Roosevelt recruited his Rough riders. The Menger is only steps away from the famous River Walk and dozens of some of the best restaurants in the country. The downtown area of San Antonio is very compact with shopping, eating and sightseeing within minutes of the hotel's front door. We listened to your comments at our fall meeting and are working to plan programming that we think will help you in your jobs as presidents of your state associations! And we are planning some surprises and some fun. We will have dinner in the Alamo which is a sacred shrine to Texans and be hosted at a reception before dinner by the [Texas Speech-Language-Hearing Association](#). We will keep the fun activities that characterize CSAP meetings – the auction, bring, brag and moan and plenty of time to network with other state presidents. This is one meeting that you will not want to miss!!! Mark your calendars now! You will receive a brochure sometime in April.

A program to help you as president of your state association AND dinner at the Alamo.

CSAP is a related association of the [American Speech-Language Hearing Association](#)
