Treasurer’s Report  Charlie Adams (SC)
As of April 30, 2008, CSAP has total assets of $102,780. This is a decrease of $4,500 from last year’s balance of $107,348. The combined investment accounts of $78,447 comprise the CSAP long-term reserve (which is 122% of the current year operating budget). This is down 12% from last year’s balance of $88,972.

Total membership is 47; unpaid are Florida, Hawaii, Indiana, Iowa and N. Dakota. As of this report, 50 attendees are registered for the Spring meeting, which is less than hoped (though on par with recent meetings). Total meeting expenses should come in within budget, if the auction proceeds reach $3000.

Corporate sponsorship has exceeded budget. To date, our net is $4,275. Additionally, MSHA (Michigan) has donated $500 in support of Lizbeth’s term as president.
President’s Report  Lizbeth Stevens (MI)
CSAP continues to build upon its success. The Executive Board recently undertook the task of strategic planning. The first planning session was a teleconference facilitated by Stan Dublinski, ASHA’s Senior Advisor for Planning, and was very productive. CSAP membership should expect to participate in review of a draft plan by the fall meeting.

President-Elect’s Report  Sherry Curtiss (SC)
Looking for names of speakers from Illinois who might speak at our upcoming conference. The EB is looking forward to feedback from attendees regarding workshops. President-Elect Curtiss concluded with a “rap” song about our upcoming June 24, 2008 webinar.

COMMISSIONER & COMMITTEE REPORTS

Commissioner on Issues and Planning  Judi Keller (TX)
Attendees were reminded to complete the evaluation form contained within their packets. Information gathered would be used to plan upcoming meetings.

Commissioner on Communication and Technology  Molly Thompson (AK)
11% return on CSAP website survey. Feedback was positive. Committee will be looking at offering more webinars and tele-replays. The committee is also looking for a member to fill the position of E Newsletter Editor.

Time and Place  Linda Barbee: (TX)
Three states are interested in hosting in 2011: (NC, SC & OK). Final decision will be up to the EB. CSAP is no longer choosing convention sites based upon the regionalization program.

Nominations  Karen Kerns (MI) & Ruth Stonestreet (GA)
Nominations are being accepted for the following positions and terms: President (2010-2011) and Secretary (2009-2010). CSAP members are eligible to run for a position if nominated while they are currently serving as president, pres-elect, or past president of their respective state.

CSAP Joint Committee  Theresa Rodgers (LA)
Current issue is the new governing structure for ASHA and the impact on state associations.

Legislative Council (now SLPAC & AUDAC)  Ashley Northam (OR)
CSAP is considering changes to the bylaws in order to have two representatives to both Advisory councils (one for audiology; one for speech-language pathology) since the ASHA governance change which eliminated the Legislative Council (which met as a single body).
